

THE BELL

Welcome aboard The Bell, a fully licensed and attractive, traditional 72ft floating public house and party narrowboat. We don't go like the clappers, so you can relax and enjoy a sophisticated drink afloat. The Bell is purpose built and boasts a fully stocked bar. She is equipped to take parties of up to 49 passengers seated comfortably in peaceful surroundings.

The Bell sails from Marple canal junction, next to the Ring o' Bells public house, where ample car parking is available. Following your cruise, The Bell will return you to our pub restaurant for your inclusive set meal or buffet.

THE BELL IS AVAILABLE FOR:

- Private functions
- Birthdays & anniversaries
- Corporate functions
